

## **eMachineShop End-User License Agreement ("EULA")**

READ THIS CAREFULLY:

### **1. INTRODUCTION:**

1.1 We are delighted that you have chosen to acquire the eMachineShop software application (which, together with any upgrades, modified versions or updates made available to you, are collectively referred to as the "Software"), and look forward to a long-term, mutually beneficial relationship with you. We hope that, with the Software, you will create many creative, useful and beneficial items which will bring you personal satisfaction and professional success.

1.2 Micro Logic Corp. licenses this Software to you only upon the condition that you accept all of the terms contained in this end-user license agreement ("EULA"). The EULA addresses both the use of the Software, and the ordering and fabrication of custom parts for you according to specifications that were designed and created by you using the Software (the "Custom Parts").

1.3 Many of the topics and issues addressed in the EULA are also mentioned in various places (e.g., the FAQ and Help sections) on the eMachineShop.com web site. While we strive for consistency in all that we do, in the event of any conflict between the eMachineShop.com web site and the EULA, the EULA shall control.

1.4 This EULA is a binding legal agreement between Micro Logic Corp., as Licensor, and "You" (i) in your individual capacity or (ii) in your capacity as authorized representative of another person, company or other legal entity, together with that person, company or other legal entity for whose benefit you acquire, install and/or use the Software, as Licensee. Do not click the "I ACCEPT" button at the end of the EULA or copy, install, distribute, upload, access or use all or any portion of the Software unless You agree to enter into and be bound by the EULA. By clicking the "I ACCEPT" button at the end of the EULA or by copying, installing, distributing, uploading, launching, accessing or using the Software and/or its bundled and/or online supporting documentation (collectively, "Documentation"), or any portion thereof, You confirm that You have entered into the EULA, and acknowledge that You are bound by its terms.

1.5 If You do not agree, or do not wish to bind Yourself to the terms and conditions of the EULA, then: (1) do not copy, install, distribute, upload, launch, access or otherwise use the Software and/or Documentation, or any portion thereof; (2) select "I DECLINE" at the end of the EULA (which will cancel the installation of the Software); and (3) if you downloaded the software, delete each and every copy of the Software from each and every computer in Your possession and/or under Your control, and destroy all Documentation in Your possession and/or under Your control.

1.6 YOU REPRESENT AND WARRANT THAT YOU HAVE THE POWER AND AUTHORITY TO ENTER INTO THIS EULA, AND THAT YOU HAVE REACHED THE AGE OF LEGAL MAJORITY. OTHERWISE, YOU MAY NOT USE THE SOFTWARE OR THE DOCUMENTATION.

1.7 Copying, installing, distributing, uploading, launching, accessing or using the Software and/or Documentation, or any portion thereof, in any manner that is not explicitly permitted by the EULA, absent prior written permission from Micro Logic Corp., is unauthorized, constitutes a material breach of the EULA, is an infringement of Micro Logic Corp.'s copyright and/or other intellectual property rights in the Software and Documentation, and may subject You to civil damages and/or criminal penalties.

## **2. GRANT OF LICENSE:**

Upon Your agreement to enter into, and acceptance of, the EULA (as demonstrated by clicking the "I ACCEPT" button at the end of the EULA):

2.1 Micro Logic Corp. grants You a non-sublicensable, non-exclusive, non-transferable, limited license (the "License") to use the Software and Documentation. The License is conditioned upon Your continuous compliance with all of the terms, conditions, limitations and restrictions described in this EULA. If You violate any of these terms, conditions, limitations or restrictions, the License will automatically and immediately terminate and expire.

2.2 The License granted pursuant to this EULA is a single, stand-alone, individual user license. You may install, launch, use and display the object code version of the Software on one (1) individual computer. You may use the Software on only one (1) computer at any one time.

2.3 Subject to the terms and conditions of this EULA, and predicated upon Your continuous compliance with the terms and conditions of this EULA, the License is effective until terminated. You may terminate this License at any time by destroying the Software and all Documentation in Your possession and/or under Your control, as well as each and every backup copy thereof. Without prejudice to any other rights, Micro Logic Corp. may terminate this EULA and Your License thereunder if You fail to comply with the terms and conditions of this EULA. In such event, You must destroy all copies of the Software and all Documentation in Your possession, as well as each backup copy thereof, immediately.

2.4 This EULA supersedes and replaces the end-user license agreements for all previously-installed and/or previously-used versions of the Software.

## **3. SOFTWARE USE:**

3.1 You may not copy, install, distribute, upload, launch, access or use the Software and/or Documentation, or any portion thereof, except as expressly authorized by the EULA.

3.2 If the Documentation is supplied to You in printed form, it may not be copied; and if the Documentation is supplied to You in electronic form, it may not be printed or copied and then distributed to, or used by, anyone other than You.

3.3 The Software is licensed to You as a single product, and its components may not be separated for distribution or use on more than one (1) computer unless expressly permitted by Micro Logic Corp.

3.4 You may not modify, translate, adapt, arrange, or create derivative works based upon the Software or the Documentation, or any part thereof, for any purpose.

3.5 You may not reverse engineer, decompile, disassemble, decrypt, or otherwise access, discover, analyze, or recreate the source code of the Software, or attempt to do so, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this restriction. Where You have statutory rights with regard to software, which are in contradiction of this restriction, You shall, prior to exercising those rights, provide Micro Logic Corp. with reasonably detailed information regarding any intended disassembly or decompilation of the Software. In addition to the foregoing, You shall not decrypt any encrypted portion of the Software unless doing so is necessary for the licensed

use of the Software.

3.6 You may not utilize any equipment, device, software, or other device or means to circumvent or remove any form of copy protection used by Micro Logic Corp. in connection with the Software, or use the Software together with any authorization code, serial number, or other copy protection device not authorized by, and supplied by or on behalf of, Micro Logic Corp.

3.7 You may not distribute, rent, loan, lease, sell, resell, sublicense, or otherwise transfer all or any portion of the Software or the Documentation, or any rights granted in this EULA, to any other person or entity, or allow any portion of the Software or Documentation to be copied onto another individual's or entity's computer, without the prior written consent of Micro Logic Corp.

3.8 For any downloadable software, you may not install or use, or upload or facilitate the distribution of, the Software or Documentation over the Internet, including, without limitation, use in connection with a Web hosting or similar service, or make the Software or Documentation available to third parties via the Internet, Your computer system or otherwise, without the prior written consent of Micro Logic Corp.

3.9 You may not remove, alter, or obscure any proprietary notices, labels, splash screens, or marks from the Software or Documentation.

3.10 You may not alter, reconfigure or modify the Software in order to enable features or functionality different from what is described in the Documentation.

3.11 EXPORT CONTROL LAWS. You acknowledge that the Software is subject to the export control laws and regulations of the United States, and You agree to abide by those laws and regulations. Under U.S. law, the Software may not be downloaded or otherwise exported, reexported, or transferred to restricted countries, restricted end-users, or for restricted end-uses. The U.S. currently has embargo restrictions against Cuba, Iran, Iraq, Libya, North Korea, Sudan, and Syria. Compilations of restricted end-users are maintained currently in the U.S. Department of Commerce's Denied Persons List (<http://www.bis.doc.gov/dpl/Default.shtm>), Entity List (<http://www.bis.doc.gov/Entities/Default.htm>), and Unverified List ([http://www.bis.doc.gov/Enforcement/UnverifiedList/unverified\\_parties.html](http://www.bis.doc.gov/Enforcement/UnverifiedList/unverified_parties.html)), the U.S. Treasury Department's Specially Designated Nationals List (<http://www.treas.gov/offices/enforcement/ofac/sdn/>), and the Department of State's List of Statutorily Debarred Parties (<http://www.pmddtc.state.gov/debar059.htm>). In addition, the Software may not be downloaded by or otherwise exported, reexported, or transferred to an end-user engaged in activities related to weapons of mass destruction. Such activities include, without limitation, those related to: (1) the design, development, production or use of nuclear materials, facilities or weapons; (2) the design, development, production or use of missiles or support of missile projects; and (3) the design, development, production, or use of chemical or biological weapons. You shall indemnify and hold Micro Logic Corp. harmless from all loss, damage, expense or liability to any/all parties incurred in connection with, or as a result of, such activities, or from the use of the Software or Documentation in connection with such activities, to the extent that such loss, damage, expense or liability results—directly or indirectly—from any violation by You of this paragraph, and/or any of the restrictions detailed herein. You also warrant and represent that You are not located in, or a resident or national of, a restricted country; that You are not on any of the U.S. lists of restricted end-users; and that You are not engaged in or financially or materially supporting any activities related to weapons of mass destruction. You understand that the requirements and restrictions of U.S. law as applicable to You may vary depending upon,

among other things, the software downloaded and may change over time, and that, to determine the precise controls applicable to the software, it is necessary to refer to the U.S. Export Administration Regulations and the U.S. Foreign Assets Control Regulations. You may not use the Software, or its Documentation, outside of the country in which You acquired the Software. By downloading or using the Software and/or Documentation, You confirm explicitly that You agree to the foregoing, and You acknowledge explicitly that Your warranties and indemnification obligations under this section 3.11 are ongoing and shall survive any termination of this EULA.

3.12 Micro Logic Corp., in its sole discretion, may discontinue ongoing support for, or refuse to accept designs created with, outdated versions of the Software. It is recommended that You upgrade any downloadable Software regularly to the then-current version. Certain features of the Software may not be forward-compatible with future versions of the Software and use of such features with future versions of the Software may require the replacement of the current version of the Software and the purchase/acquisition of the applicable future version of the Software from Micro Logic Corp.

3.13 Use, Safety and Utility. Computer-aided design software and other technical software applications are tools intended to be used by qualified individuals. They are not substitutes for professional judgment. They are intended to assist with product design and are not substitutes for independent testing of product stress, safety, reliability, and suitability for specific tasks. Due to the large variety of its potential applications, the Software has not been tested in all situations under which it may be used. Micro Logic Corp. shall not be liable in any manner whatsoever for the results obtained through the use of the Software. MICRO LOGIC CORP. DOES NOT WARRANT THAT THE FUNCTIONS OF THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. YOU ARE SOLELY RESPONSIBLE FOR THE DETERMINATION OF APPROPRIATE USES FOR THE SOFTWARE AND THE SELECTION OF THE SOFTWARE AS APPROPRIATE TO ACHIEVE INTENDED RESULTS. YOU ARE ALSO SOLELY RESPONSIBLE FOR ESTABLISHING THE ADEQUACY OF INDEPENDENT PROCEDURES FOR TESTING THE RELIABILITY AND ACCURACY OF ANY PROGRAM OUTPUT, INCLUDING ALL ITEMS DESIGNED BY USING THE SOFTWARE. You acknowledge that the Custom Parts designed with the Software and ordered from eMachineShop.com were not designed by Micro Logic Corp., nor does Micro Logic Corp. have any control over their design, or their use or misuse once they have been delivered to You. It is Your responsibility to create a safe design and provide proper safety devices and equipment to safeguard the operator and nearby persons from harm for any particular use, operation, or setup, and to adequately conform to all Federal, State, and Local government legal and safety standards, and all industry safety standards. Additionally it is Your responsibility to fully inspect all received parts for design conformity, variation in material selection, defects in fabrication, defects in material uniformity or strength, and all other matters that could affect safety.

#### **4. FABRICATION OF CUSTOM PARTS:**

By placing an order for Custom Parts designed with the Software, You confirm that You have reviewed, and do accept and agree to be bound by, eMachineShop.com's Terms of Use and Order Policies, as set forth at <http://www.emachineshop.com/company/eusa.htm> and as amended from time to time, and You further acknowledge that You are, and shall remain, bound by their terms for as long as You use the Software and/or Custom Parts, notwithstanding any termination of this EULA or of the License granted hereunder.

#### **5. INTELLECTUAL PROPERTY:**

5.1 This EULA is a license, not a sale, of the Software and Documentation. Your right to use

the Software and Documentation pursuant to this EULA confers no title, ownership or intellectual property rights to You. Micro Logic Corp. retains full and complete ownership, title and all rights and interests, including but not limited to copyright, trade secret and other intellectual property rights, in and to the Software and Documentation, and all copies made thereof. Certain third party software included with or incorporated into the Software is subject to additional terms and conditions imposed by Micro Logic Corp.'s third party licensors, who are intended beneficiaries under this EULA and who may protect their rights in their respective portions of the Software directly against You. All rights not expressly granted in this EULA are reserved by Micro Logic Corp.

5.2 The structure, organization, and code of the Software are valuable trade secrets of Micro Logic Corp. and its third party licensors. The Software and Documentation are protected by law, including but not limited to the copyright laws of the United States and other countries, and by international treaty provisions.

## **6. LIMITED WARRANTY; DISCLAIMERS; INDEMNIFICATION:**

6.1 LIMITED WARRANTY. Micro Logic Corp. warrants that the Software will perform substantially in accordance with the Documentation as it exists on the date of Your acquisition, and that the media on which the Software is furnished, if any, and any hardware lock or other copy protection device or scheme incorporated into or accompanying the Software, will be free from defects in materials and workmanship under normal use, for a period of ninety (90) days from the date of Your receipt of the software. Non-substantial variation of performance from the Documentation does not establish a warranty right. If an implied warranty which cannot be disclaimed is created by statute in Your jurisdiction, then You also have a statutory implied warranty BUT ONLY AS TO DEFECTS DISCOVERED DURING THE PERIOD OF THIS LIMITED WARRANTY (i.e., 90 DAYS). THERE IS NO WARRANTY OF ANY KIND APPLICABLE TO ANY DEFECTS DISCOVERED AFTER THE 90-DAY PERIOD. Any supplements, updates or upgrades to the Software provided to You after the expiration of the 90-day Limited Warranty period are not covered by any warranty or condition, express, implied or statutory. Micro Logic Corp.'s entire liability, and Your exclusive remedy for any breach of this Limited Warranty or any other liability relating to the Software will be, at Micro Logic Corp.'s option, either (a) repair or replacement of Software that does not meet the terms of this Limited Warranty, or (b) a refund of the amount paid (if any) for Software that does not meet the terms of this Limited Warranty, resulting in the immediate termination of this EULA and of Your License hereunder. In order to pursue Your remedy hereunder, You must first return said Software to Micro Logic Corp., together with adequate proof of purchase/acquisition, the date and manner of purchase/acquisition, and the purchase price (if any). Some jurisdictions do not allow the exclusion of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to You. This warranty gives You specific legal rights. You may have other rights that vary from jurisdiction to jurisdiction. THIS LIMITED WARRANTY DOES NOT APPLY TO PRE-RELEASE (BETA) COPIES OF SOFTWARE. You accept that no Software is error free and You are strongly advised to back up all important files on all of Your computers on a regular and timely basis, as well as immediately prior to the installation of any new application. This Limited Warranty is void if failure of the Software or Documentation has resulted from accident, abuse, misapplication, abnormal use, virus/worm infection, or service or modification by someone other than Micro Logic Corp.. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

6.2 DISCLAIMER OF WARRANTIES. THE LIMITED WARRANTY DESCRIBED IN SECTION 6.1 IS THE ONLY EXPRESS WARRANTY MADE TO YOU AND IS PROVIDED IN LIEU OF ANY OTHER EXPRESS WARRANTIES OR SIMILAR OBLIGATIONS (IF ANY) CREATED BY ANY

ADVERTISING, DOCUMENTATION, PACKAGING, OR OTHER COMMUNICATIONS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MICRO LOGIC CORP. PROVIDES THE SOFTWARE AND DOCUMENTATION AND SUPPORT SERVICES (IF ANY) AS IS AND WITH ALL FAULTS, AND WITHOUT WARRANTIES OF ANY KIND, WHETHER VERBAL OR WRITTEN, EXPRESS OR IMPLIED. OTHER THAN THE LIMITED WARRANTY DESCRIBED IN SECTION 6.1, MICRO LOGIC CORP. HEREBY DISCLAIMS EXPRESSLY ALL OTHER WARRANTIES AND CONDITIONS, WHETHER VERBAL OR WRITTEN, AND WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO WARRANTIES, DUTIES OR CONDITIONS OF MERCHANTABILITY, RESULTS, FITNESS FOR A PARTICULAR PURPOSE, RELIABILITY OR AVAILABILITY, SATISFACTORY QUALITY, QUIET ENJOYMENT, QUIET POSSESSION, CONDITION OF TITLE, CORRESPONDENCE TO DESCRIPTION, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, ACCURACY OF INFORMATIONAL CONTENT, ACCURACY OR COMPLETENESS OF RESPONSES, WORKMANLIKE EFFORT, LACK OF VIRUSES, AND/OR LACK OF NEGLIGENCE, ALL WITH REGARD TO THE SOFTWARE AND/OR DOCUMENTATION, THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT OR OTHER SERVICES, INFORMATION, SOFTWARE, AND RELATED CONTENT THROUGH THE SOFTWARE AND/OR DOCUMENTATION, OR OTHERWISE ARISING IN ANY WAY OUT OF THE USE OF THE SOFTWARE AND/OR DOCUMENTATION. YOU ASSUME THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE AND ANY ITEMS DESIGNED THEREWITH. NO VERBAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY MICRO LOGIC CORP., ITS SUBSIDIARIES, AFFILIATES, OFFICERS, DIRECTORS, AGENTS, LICENSORS, SUPPLIERS, DISTRIBUTORS, CO-BRANDERS OR OTHER PARTNERS, AND EMPLOYEES SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS LIMITED WARRANTY. THIS WARRANTY DISCLAIMER AFFECTS YOUR LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. SOME JURISDICTIONS DO NOT ALLOW EXCLUSIONS OF IMPLIED WARRANTIES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

6.3 NO INCIDENTAL, CONSEQUENTIAL AND CERTAIN OTHER DAMAGES. WHETHER RELATING TO THE AFOREMENTIONED LIMITED WARRANTY OR OTHERWISE, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL MICRO LOGIC CORP., ITS SUBSIDIARIES, AFFILIATES, OFFICERS, DIRECTORS, AGENTS, LICENSORS, SUPPLIERS, DISTRIBUTORS, CO-BRANDERS OR OTHER PARTNERS, OR EMPLOYEES BE LIABLE FOR ANY GENERAL, SPECIAL, INCIDENTAL, PUNITIVE, DIRECT, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR CONFIDENTIAL OR OTHER INFORMATION, BUSINESS INTERRUPTION, LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS, PERSONAL INJURY, LOSS OF PRIVACY, FAILURE TO MEET ANY DUTY INCLUDING, WITHOUT LIMITATION, THAT OF GOOD FAITH OR REASONABLE CARE, NEGLIGENCE, AND ANY OTHER PECUNIARY OR OTHER LOSS WHATSOEVER) ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE SOFTWARE AND/OR DOCUMENTATION, THE PROVISION OF OR FAILURE TO PROVIDE TECHNICAL OR CUSTOMER SUPPORT OR OTHER SERVICES, INFORMATION, SOFTWARE, AND RELATED CONTENT THROUGH THE SOFTWARE OR OTHERWISE ARISING IN ANY WAY OUT OF THE USE OF THE SOFTWARE AND/OR DOCUMENTATION, OR OTHERWISE UNDER OR IN CONNECTION WITH ANY PROVISION OF THIS EULA. IN ADDITION, IN NO EVENT SHALL THE LIABILITY OF MICRO LOGIC CORP., ITS SUBSIDIARIES, AFFILIATES, OFFICERS, DIRECTORS, AGENTS, LICENSORS, SUPPLIERS, DISTRIBUTORS, CO-BRANDERS OR OTHER PARTNERS, OR EMPLOYEES FOR ANY DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE SOFTWARE AND/OR DOCUMENTATION AND/OR THIS EULA EXCEED THE AMOUNT PAID OR PAYABLE BY YOU FOR THE SOFTWARE PRINCIPALLY RESPONSIBLE FOR SUCH DAMAGES. ALL LIMITATIONS, EXCLUSIONS AND DISCLAIMERS UNDER THIS EULA SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND SHALL

APPLY TO ANY DAMAGES, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY, WHETHER DERIVED FROM CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), OR OTHERWISE, EVEN IF MICRO LOGIC CORP. HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND REGARDLESS OF WHETHER ANY REMEDY AVAILABLE FAILS ITS ESSENTIAL PURPOSE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

6.4 RELEASE AND WAIVER. To the maximum extent permitted by applicable law, You hereby release and waive, on an ongoing basis, all claims against Micro Logic Corp. and its subsidiaries, affiliates, officers, directors, agents, licensors, suppliers, distributors, co-branders or other partners, and employees from any and all liability for claims, damages (actual and/or consequential), costs and expenses (including litigation costs and attorney fees) of every kind and nature, arising from or in any way related to or connected with use of the Software, Documentation and/or Custom Parts. You expressly waive any rights that You may have under California Civil Code §1542 (which states, in part, that “[a] general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor”) and/or under any equivalent or analogous law, statute or regulation.

6.5 INDEMNIFICATION. You warrant and represent that the designs, plans, schematics and manufacturing specifications submitted by You, and the Custom Parts manufactured or fabricated in accordance therewith, are original inventions/works of authorship, designed and created by You, which do not infringe or violate any rights (including but not limited to patent, copyright or trade secret rights) of any non-consenting third party. You further warrant and represent that the designs, plans, schematics and manufacturing specifications submitted by You, and the Custom Parts manufactured or fabricated in accordance therewith, do not infringe or violate any local, state, federal or international law, code or regulation. You shall indemnify and hold harmless Micro Logic Corp. against any and all claims, costs, demands, damages, assessments, actions, suits or other proceedings, liabilities, judgments, penalties, fines or amounts paid in settlement, expenses, or attorneys fees (collectively, “Claims”) arising out of, connected with or related to the foregoing warranties and representations. The “Claims” covered hereunder include, but are not limited to, all judgments, settlements, losses, liabilities, court/ADR costs, fines, attorney’s fees, penalties, and other litigation/negotiation/ADR costs and expenses arising out of, connected with or related to such claims, demands, complaints or actions.

6.6 The disclaimers of warranties and damages and limitations on liability set forth in this EULA, and the warranties, representations and indemnification obligations set forth in section 6.5 of this EULA, are ongoing and shall survive any termination of this EULA; but this does not, and will not, imply or create for You any continued right to use the Software or Documentation after termination of this EULA.

## **7. MISCELLANEOUS:**

7.1 Termination. This EULA shall terminate automatically if You fail to comply with any of its terms. No notice shall be required from Micro Logic Corp. to effect such termination. You may also terminate this EULA at any time by notifying Micro Logic Corp. in writing of termination. Upon any termination of this EULA, You must uninstall and destroy all copies of downloadable Software and Documentation in Your possession or under Your control.

7.2 Your License does not imply any rights to future upgrades or updates of the Software. The acquisition and/or use of any upgrades or updates of the Software is governed by this EULA and its amendments (unless and until superseded by a future version's EULA), and may be subject to additional payments and conditions.

7.3 This EULA is the final, complete and exclusive agreement between You and Micro Logic Corp. relating to the Software and/or Documentation, and supersedes any previous communications, representations, or agreements between the parties, whether verbal or written, regarding the subject matter hereof. Any additional or different terms and conditions not expressly set forth herein are neither binding nor controlling. To the extent that the terms of any Micro Logic Corp. policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall control.

7.4 Micro Logic Corp. does not control, endorse or accept responsibility for websites or online services provided by third parties, including but not limited to software download sites. Any dealings between You and any third party in connection with a website, including delivery of and payment for goods and services and any other terms, conditions, warranties or representations associated with such dealings, are solely between You and such third party.

7.5 eMachineShop.com/Micro Logic Corp. may collect and use technical information that You provide in connection with Your use of the Software. eMachineShop.com/Micro Logic Corp. will not use this information in a form that personally identifies You without your permission.

7.6. U.S. GOVERNMENT RESTRICTED RIGHTS. All Micro Logic Corp. products and documentation are commercial in nature. The Software and Documentation are "Commercial Item(s)," as that term is defined and used in 48 CFR 2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation," as such terms are used in 48 CFR 12.212 or 48 CFR 227.7202, as applicable. The Software and Documentation are proprietary, and are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the United States Government or any agency, department, or instrumentality thereof is subject to the restrictions set forth in this EULA, pursuant to, inter alia, Federal Acquisition Regulations ("FAR"), 48 CFR 12.212, 48 CFR 12.211 and 52.227-19, the DOD FAR Supplement ("DFARS"), 48 CFR 227.7202-3, the NASA FAR Supplement, 48 CFR 1852.227-86, and their respective successors. Unpublished-rights reserved under the copyright laws of the United States. Contractor/Manufacturer is Micro Logic Corp., 666 Godwin Avenue, Midland Park, NJ 07432.

7.7 No Assignment; Insolvency. This EULA and Your rights hereunder are non-assignable and any purported assignment shall be void. The EULA and any license granted hereunder shall terminate immediately, without further notice or action by Micro Logic Corp., if You become bankrupt or insolvent, or go into liquidation or receivership.

7.8 Choice of Law; Venue. This Agreement shall be construed and enforced in accordance with the laws of the State of New Jersey, without regard to (i) conflicts of laws provisions of the State of New Jersey or any other jurisdiction; (ii) the U.N. Convention on Contracts for the International Sale of Goods; (iii) the 1974 Convention on the Limitation Period in the International Sale of Goods; (iv) the 1980 Vienna Protocol amending the 1974 Convention, or (v) any amendment or protocol to the foregoing. Any and all actions to interpret, apply or enforce the provisions of this EULA, or to assert or defend any claims or causes of action relating to this EULA, the Software and/or the Documentation, shall be brought in the Superior Court of the State of New Jersey, or in the United States District Court, District of New Jersey; the parties hereby unconditionally and irrevocably consent to the exclusive jurisdiction of and venue in such courts, and hereby irrevocably waive any objection based

on forum non conveniens and any objection to the venue of any action instituted in such courts.

7.9. Injunctive Relief. You specifically acknowledge and agree that the remedies at law for any breach or threatened breach by You of this EULA will be inadequate and that—notwithstanding anything contained herein to the contrary—Micro Logic Corp., in addition to all other relief available to it (including punitive, compensatory or other damages), shall be entitled to immediate temporary and permanent injunctive relief — in the United States, in Your country, and anywhere in the world — without the necessity of showing or proving actual damages.

7.10. Entire Agreement. This EULA represents the full and complete understanding of the parties with respect to the subject matter hereof, superseding all prior understandings, arrangements and representations, whether verbal, written, or presented online.

7.11 Severability. If and to the extent that any provision of this EULA is held illegal, invalid, or unenforceable in whole or in part under applicable law, such provision or such portion thereof shall be ineffective as to the jurisdiction in which it is illegal, invalid, or unenforceable to the extent of its illegality, invalidity, or unenforceability, and shall be deemed modified to the extent necessary to conform to applicable law so as to give the maximum effect to the intent of the parties. The illegality, invalidity, or unenforceability of such provision in that jurisdiction shall not in any way affect the legality, validity, or enforceability of any other provision of this EULA in any other jurisdiction.

7.12 The captions and numbering scheme of this EULA are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

7.13 Language. The English language version of this EULA is legally binding in case of any inconsistencies between the English version and any translations. The parties hereto confirm that it is their wish that this EULA, as well as other documents relating hereto, including Notices, have been and shall be written in the English language only. Remarque: Les parties ci-dessus confirment leur désir que cet accord ainsi que tous les documents, y compris tous avis qui s'y rattachent, soient rédigés en langue anglaise.

7.14 Micro Logic Corp. may assign its rights under this EULA without condition.

7.15 No failure or delay by Micro Logic Corp. in exercising any right, power or privilege hereunder shall operate as a waiver thereof, and no single or partial exercise thereof by Micro Logic Corp. shall preclude any other or further exercise thereof or the exercise of any right, power or privilege hereunder.

7.16 This EULA may not be waived, amended or modified in any respect whatsoever, except by a written instrument, signed by all of the parties hereto. This “no oral modification” clause may not itself be waived, except by a written instrument signed by all of the parties hereto.

7.17 This EULA is binding upon, and will inure to the benefit of, the parties hereto, their successors and their permitted assigns.
